

## TARGETING – Part Twenty: ROBERT DUNCAN, PROJECT SOUL CATCHER, MILITARY WITCHCRAFT

Robert Duncan. Robert holds multiple degrees from Harvard University and Dartmouth College in Applied Sciences and Business. He has worked on projects for the Department of Defense, CIA and Justice Department in his career.

So he has been swimming with the luciferians, being schooled by them and working for them. Keep that in mind as we share this next video. He is at a UFO conference and that is why you will see the swirls that are like 6's behind him. Many discredit the people that speak at those conferences as though they don't know anything. That isn't the case. It is a place where they can speak out and share what they know. Many of them are new agers and don't believe in God. They talk about the fallen angels and the technology there. The government has been showing us the truth in movies but mostly what is going on is still labeled as taboo. That is one way it has continued to work so well, no one believes it.

**\*\*I recommend that you go to the sermon notes or the “show more info. box on youtube” and watch that whole video. He revealed so many things they are using against us.\*\***

When he talked about them hooking the ape's mind to the little girl's mind, he said they thought the ape would recognize himself in the little girl. Then he said the ape killed the girl. They hooked an animal mind to a human mind and the animal killed the little girl. He just mentions so casually that the little girl died in this experiment. Who agreed to that? What kind of mother allows this? And look what we are doing. Our governments, scientists and militaries are not being moral or ethical at all.

Recently I heard some information that we have now put human genes into a piece of rice. Why? What can this possibly help? This is against God and His Word. These are the things the offspring of the fallen angels, who mated with the women, this is what they did. It is clear in the book of Enoch but not so much in the canon of our Bibles today.

“hyper game theory” manipulating people to do things that are irrational, testing to see what tricks and techniques work, even walking them to their death – across all cultures, languages and races in the world – “it is just what is happening”

He said it is a eugenics program. The luciferians who practice MK Ultra (splitting human minds into thousands of alters and programming them inside of the person) have put in a “suicide program” inside of these people. So that when their programming begins to break down or they go for help to a therapist or a real minister of God and begin to be delivered, the program will kick in and they will want to kill themselves. This is so that the information of what they have been doing won’t be found out. This tactic also helps to keep the target from reaching out for help and trying to get to freedom, to be delivered.

Robert has written books about what most targets are experiencing in their lives. About the torture, the experimentation that is being carried out on them. Just as I did with Rauni Kilde in showing that she was targeted but was not a Christian, I now want to show you that even though Robert is bringing all of this information out, he also has an ulterior motive.

**ACKNOWLEDGEMENTS:**

Sisyphus, in Greek lore, was punished because he revealed the designs of the god's to mortals. Hermes was the Greek gods' messenger and Apollo was the god of truth. (what a laugh that is, that is satan)

Notice he has a harp. Ezek.28:13 gives some insight about satan being gifted musically.

**John 8:44** - Ye are of *your* father the devil, and the lusts of your father ye will do. He was a murderer from the beginning (I.B. That one was a murder from the beginning), and abode not in the truth, because there is no truth in him. When he speaketh a lie, he speaketh of his own: for he is a liar, and the father of it.

The book continues:

In Christian, Islam, and Jewish Bibles, the Archangel Gabriel is the messenger of God. \*\*He is trying to draw a correlation here between Hermes and Gabriel – NO! Gabriel is not Hermes. Hermes is a fallen angel messenger and Gabriel is a holy messenger of God.\*\*

This book is dedicated to all the people who stood by me during the difficult times while researching and writing it. It was a time where true friends showed their character. Without the love and support of my perfect mother and father, it would not have been written and the story told after the abuse and physical torture that I had to endure. But there was a light at the end of the tunnel; the shadow agencies showed me everything that they were working on

and said if I could survive, I could write about anything that they told me and showed me. I carried the weight of the world in silence on my shoulders like Atlas. Finally I shrugged to divulge the truth despite threats to kill my family or torture me again from my government handlers. \*\*So he was also experimented on with the mind control – of course. **He belittles God in this book and lifts up the fallen angels.** \*\*

Additionally, many thanks to the non-consensual human government experiments that allowed me to interview them, the whistleblowers, who bravely have come forward, and other individuals who gave their lives fighting hard for truth and justice about these topics, especially Darin Smith, a Coast Guard rescue swimmer who killed himself after being tortured for a year by the systems described in this book, and three former FBI agents who were attempted to be assassinated but have come forward with valuable information despite the intimidation practices of unnamed government agencies.

I hope to share my thoughts on the death of Darin Smith in closing of next week's message.

The 21<sup>st</sup> century will be known as the age of spiritual machines and soulless men.

OUR MILITARIES HAVE BEEN INTO WITCHCRAFT – PLAIN AND SIMPLE:

We have thought of green berets or special forces like this.

But today, this is a truer picture. “Men Who Stare at Goats” is about remote viewing. Do you think King David and his men did this?

Pg.2

The military’s interest in “psychic” warfare as it was called during the cold war increased dramatically in the early 1960’s because it was shown to be very feasible to accomplish this same mind melding feat at great distances.

A footnote at the bottom of the page: (I took the time to look up the definitions to these words and they are very telling.) The word “psychic” was used as a discrediting word. The modern day language is neuro-communication (electrochemical event / neurons & neural transmitters), psychophony (psycho (mind) and phony (voice) communication of the spirits of the dead via the voice of a medium, perception (ability to see, hear or smell in order to become aware of something), cognitive (the mental action or process of acquiring knowledge and understanding through thought, experience and the senses), information, and psychological warfare technologies (actions intended to reduce an opponents morale). This is all fighting with your mind (mind energy or power) it is witchcraft and is against God.

**PLEASE REMOVE CURSE WORD AT 1:59**

This true story is about what happened when a small group of men – highly placed within the U.S. military, government and intelligence services began believing in very strange things. That is the eye of lucifer. Using your mind to do supernatural things like this is against God.

Page 2 Movies are used to acclimate the next generation that this technology is being done and they should accept it when it is finally revealed to them.

Page 28

He mentions that he believes in evolution and then calls God a tinkerer. This insinuates that he believes God is always trying to tweak or improve on things. This is a subtle way of demeaning God. EVOLUTION is plainly praised in this book.

## CLOSING

**DEUT.18:9-15** - When thou art come into the land which the LORD thy God giveth thee, thou shalt not learn to do after the abominations of those nations (I.B. to do things like the hateful acts of those nations). There shall not be found among you *any one* that maketh his son or his daughter to pass through the fire, *or* that useth divination (foretune telling or clairvoyance), *or* an observer of times (I.B. a cloud reader)((astrology – horoscopes – living your life according to what you see or read into the stars)), *or* an enchanter (I.B. fortune teller)((a hypnotist)), *or* a witch (a person who cast spells on people and controls them with their mind – telekinesis), *Or* a charmer (I.B. a charmer of magic) ((a witch of a lesser degree), *or* a consulter with familiar spirits (I.B. one consulting spirits)((a medium, someone who asks spirits to guide them)), *or* a wizard (a male witch – no such thing as warlocks), *or* a necromancer (I.B. one inquiring of the dead) ((uses familiar spirits

to tell the future)). For all that do these things *are* an abomination unto the LORD: and because of these abominations (I.B. filthy acts) the LORD thy God doth drive them out from before thee. Thou shalt be perfect with the LORD thy God. For these nations, which thou shalt possess (I.B. expel), hearkened (listened) unto observers of times (I.B. cloud readers), and unto diviners: but as for thee, the LORD thy God hath not suffered thee so *to do*. The LORD thy God will raise up unto thee a Prophet from the midst of thee, of thy brethren, like unto me (I.B. One like me); unto Him ye shall hearken;

John Todd who was born into witchcraft and then rose up the ranks of satan's kingdom to be a high priest and very high up in the illuminati shared the following:

v.10 making their sons or daughters pass through the fire – they were thrown into the fire, they were sacrifices.

**Exodus 22:18** - Thou shalt not suffer a witch (I.B. sorceress) to live.

Because of the sacrifice Jesus Christ made for every single person, we don't kill people because of their sin today. We expose their wickedness and pray for their salvation.

Only because of God's mercy is He allowing all of this to go on. If they do not forsake their evil and wicked ways, they will eventually suffer in the lake of fire for all of eternity.
